

# JEFFERSON DAD VAIL REGATTA

## WEATHER CONTINGENCY PLAN

In the event of bad weather , which could jeopardize the safety of the competitors, The DVROC has established a contingency plan for the Regatta. The plan is based on six possible scenarios listed below.

DUE TO WEATHER CONDITIONS.....

1. Unable to run races Friday – run races on Saturday

***Saturday run Friday schedule with top 6 times in each event going to finals.***

2. Unable to run races Saturday – race on Friday

***Award medals to top three times on Friday races.***

3. Limited racing on Friday and Saturday

***Run all heats with top 6 times going to final***

4. Limited racing on Friday – full on Saturday

***Finish Friday schedule on Saturday with top 6 times going to final***

5. Full schedule on Friday –limited on Saturday

***Run all heats with top 6 times going to final***

6. Unable to run races Friday and Saturday:

***Cancel Regatta***

7. In the event scenario 1 to 6 cannot be implemented, **the Regatta Committee reserves the right to select events that can be run depending on time, weather and safety.**
