

## DAD VAIL RACE PROGRESSIONS – 2021

This year the Dad Vail Regatta has decided to use the progression listed below. With a smaller event this year we will run heats and grand finals for all events. Petite finals for the V8 (open) and V4 (open) only. There will be NO time trials.

Progression will depend on the number of entries in a particular event.

6 or less entries in an event will result in a straight final and crews will race but once.

7 to 12 entries will have 2 semi-finals. At least 1 crew will be eliminated in a semi-final, even if that leads to a 5 boat final.

13 to 18 entries in an event will have 3 semi-finals. The top 2 from each semi-final progress to the grand final, the third and fourth place crews from each semi-final will progress to a petite final (V8 and V4 only)

Seeding is being done as much as possible based on limited racing this Spring. A group of coaches are doing the seeding as usual.
